

Supply Update: Zesty Onion Dip Cups

Due to a global shortage of horseradish, a key ingredient in the Zesty Onion sauce, BURGER KING® suppliers are experiencing issues with the production of dip cups. As a result, the current stock of Zesty Onion dip cups is expected to dwindle to a potential full outage by early next year.

RSI is working closely with BKC and suppliers to provide alternative supply solutions to DCs until the next horseradish harvest in April 2020.

RSI will continue to monitor the situation closely and advise operators of new developments.
